

# LouderVoice Tab on Facebook

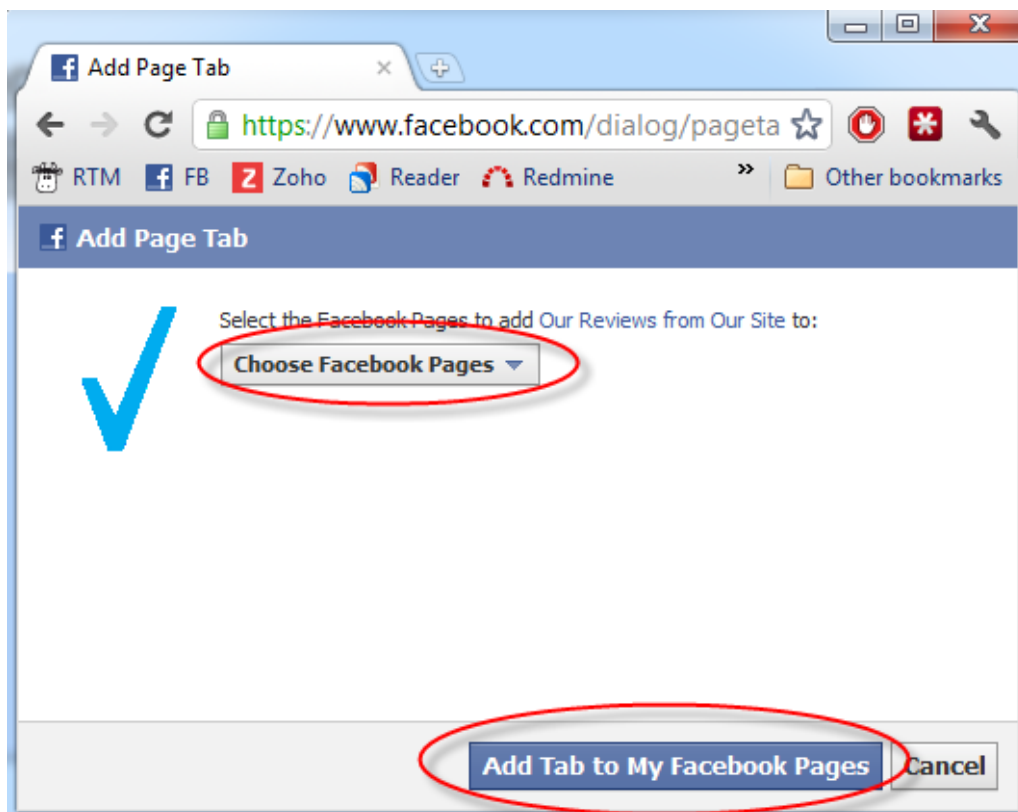

v1.3 12/12/2011

You can now show all of your latest LouderVoice reviews on a Tab on your Facebook Business Page and also optionally let people write reviews on Facebook too. Setup should only take you two minutes and requires no on-going maintenance after that.

Make sure you are logged into Facebook as a Page Admin for the Page you want to work on.

Go to this URL: [http://www.facebook.com/dialog/pageta?app\\_id=149134505160557&display=popup&next=http://www.facebook.com/?sk=pages](http://www.facebook.com/dialog/pageta?app_id=149134505160557&display=popup&next=http://www.facebook.com/?sk=pages)

Select the Page from the dropdown "Choose Facebook Pages" list and then Click "Add Tab to My Facebook Pages"

Then go to your Page on Facebook and Click on the new "Our Reviews" Tab:

Write something...

**Web2Ireland**  
**Running Lean Workshop in London**  
[www.web2ireland.org](http://www.web2ireland.org)  
Web2Ireland has a very big readership in the UK both from UK startups and also from an ever-growing number of Irish startups who have either moved there completely or keep a strong presence there, particularly in London. So I thought that audience might be interested in a Running Lean Workshop...

You will then be asked for a information about your LouderVoice Account and Page. All of this should have been provided to you by LouderVoice Support. If it has not, contact them on [support@loudervoice.com](mailto:support@loudervoice.com) or on Live Chat on [www.loudervoice.com](http://www.loudervoice.com)

Fill in these fields:
